

LET US DO ALL THE WORK

FREE. No upfront expense to your school for equipment, graphic design, printing, etc.

CONSTANT USE. Along with spirit stickers, the machine offers other licensed and non-licensed stickers depending on what's currently "hot" (NFL, Angry Birds, Disney, and cute animals to name a few). These stickers are rotated regularly the machine remains relevant to the students in your school.

EASY. No more work than cashing a monthly check! We handle all equipment servicing and product rotation, so your volunteers will have no additional work added to their already busy schedules.

IMMEDIATE PROCEEDS. A percentage of all machine revenues go directly to the school, PTA, PTO, or sponsoring organization each month.

We currently have equipment in stock, so we can help you start supplementing your fundraising efforts immediately!

GRAPHIC DESIGN EXPERTISE. Our skilled graphics team custom designs school spirit stickers with your school's input.

NO ELECTRICAL OUTLET NECESSARY. Our equipment is mechanical, so no electricity is used.
